SUMMARY BIO

Michael D. Ness, Business Risk Consulting is a Greater Northwest based Business Risk Management Consulting Firm located in Gig Harbor, Washington.

We are experienced professionals with domestic and international expertise in Corporate Security, Targeted Threat and Risk Assessment, Loss/Fraud Prevention, Emergency Preparedness, Executive Protection, Safety, and K9 Security Support program design and development.

Offering a blend of business and operational strengths, we have achieved success in business startups and departmental turnarounds to include significant cost reductions, improved efficiency and risk identification and mitigation.

Our goal is to prepare your business and help you identify risks, exposures, threats and provide you with tools and services to mitigate and/or manage those risks and exposures.

Our principal received his BS degree from the University of Maryland, University College and is a graduate of the Department of Treasury, U.S. Secret Service Academy, Executive Protective Service. He is a former member of the U.S. Secret Service, Executive Protective Service and previously Licensed Private Investigator/Security Consultant Texas Department of Public Safety Private Security Bureau, TX License #C11213.
